EXPERIENCE

Alice Bakery and Confectionery
Line and Prep

North Wales PA
SEPT 2018 - PRESENT

Entered the job as line cook and pastry prep, but has the versatility of taking on roles such as customer service, register, server, as well as produce and inventory management. Multi-tasked projects while making sure customers are served. A team player who also substituted multiple other positions as dishwasher, head line cook, as well as head baker for three weeks when store was short staffed.

EDUCATION

Boot Camp Certificate: University of Pennsylvania, Philadelphia, PA
An intensive 24-week bootcamp covering Full Stack Web Development.

University of Debrecen International General Medicine Program, Debrecen Hungary (2012-2018)

Bachelor of Arts, Human Biology: Brown University, Providence, RI (2008)
